THANK YOU!

Play Soccer all year round with Cato Youth Soccer.

As **Spring/Summer soccer** ends, don't pack up your gear yet. Take a break, enjoy summer vacation and come learn more skills during our Fall and Winter development programs.

Our **Fall Developmental program** begins the last week of August. It is a 7 week program held at CIMARF Soccer fields for girls and boys entering grades 1 through 6. This program is aimed to provide skills and drills training for all enrolled. Players will attend two evenings per week, Tuesday and Thursday from 6 to 7:30 pm. This program is to focus on increased individual player development. **There will not be games with other communities or leagues.

When the days get shorter and leaves start to fall, our program moves **inside**.

Beginning the first week of November going through until Spring Break, come play **Indoor Soccer** at the C-M Middle School Gym. Playing indoor soccer is a little faster and teaches you a new level of ball control. Indoor soccer skills and drills make players think on a different level. This program allows for players to come and go as they are available from November to April. Players can attend two evenings per week, Tuesday and Thursday from 7 to 8 pm or 8 to 9 depending on age.

Take a Spring Break Vacation and come back and join us the middle of May for our **Spring/Summer program**. This program has weekday practices and one game per week. We play against neighboring recreational soccer clubs such as BYSA and LYSL.

Soccer is a year round sport for many players. Come join the fun!

Parents – do you want to help? We provide training and, like many programs, we encourage volunteers. Find out where you can help.
